This handcrafted creamy mask is enhanced with bentonite clay to reduce excess oil without drying. Super charged with antioxidants including green tea extract, white willow bark and omega 3’s. Marshmallow root and charcoal gently detoxify skin, drawing impurities from pores. Leaves skin smoother, helps reduce the appearance of pores and aids in the reduction of acne and blemishes. Massage a small amount of mask onto your face after cleansing. Leave mask on skin for 10 minutes; rinse well with cool water. Apply once per week to improve skin tone and radiance.
